

A Brave New World

Back from Davos, Friendship founder Runa Khan emphasizes the need to nurture human values, as the Fourth Industrial Revolution sweeps across the globe. [Read more](#)

I got an A+!

Results time has traditionally been a time for celebrations at Friendship schools, since our students are used to outperforming their peers around the country despite their relatively underprivileged circumstances. [Watch video](#)

[Fighting for a Fair Chance](#)

Friendship paralegal in Gaibandha fights for a 12-year-old girl to give her exam and stay in school. [Read more](#)

[Socrates in School: An Ethical Education](#)

Building leaders with character is vital for strengthening the future of our planet. [Read more](#)
